

# WaterSentinel®

## RS-40W

Our compact, easy to use plug and play RS-40W Car Wash Filters feature a polyphosphate media that effectively reduces scale, sediment, chlorine, calcium & iron resulting in a cleaner rinse. The conditioned water will improve soap effectiveness to provide a cleaner pre-wash for your vehicle or vessel. We also include an anti-kink hose adapter to protect your water pipe joint and extend the service life of you filter. This results in smoother flowing water and a better filtration experience.
